Respect & Responsibility

Our priority is to provide a safe, fun-filled, and enriching community for all program participants and staff. In order to achieve this goal, each participant must take responsibility for following community member guidelines. A student's failure to comply with expectations will require action, such as contacting parents/guardians or dismissal from the program. Any participant who violates policy or challenges staff decisions may be sent dismissed at the discretion of the administrative staff. All participants are expected to make wise decisions about their actions, so that we can build a safe and supportive community for all.

Virginia Tech Opportunity Programs 2007 Summer Day Camp staff members expect that all participants have carefully read and understand the policies and expectations outlined here. All participants are expected to uphold program standards while attending the program. Below is a list of specific rules and the standard consequence for violation.

Program Rules & Policies

- 1) Smoking, possession, sale, or use of alcohol and drugs is prohibited. This is a violation of Virginia State Law. Consequence for violation: **Expulsion from program**
- 2) Possession of weapons (including, but not limited to, knives, switchblades, stilettos, stars, and firearms) and/or fireworks is prohibited. Consequence for violation: **Expulsion from the program**
- 3) Ambassadors must refrain from other acts not specifically stated which could be considered unlawful (including, but not limited to, theft, assault, etc.). Consequence for violation: **Notification to authorities, expulsion from program.**
- 4) Verbal or physical harassment of students and staff is prohibited. Harassment is mean and ugly and detracts from our community and the purpose of the program. As functioning citizens and leaders in society, we must find alternative ways of voicing our emotions and venting our frustrations. Taking these feelings out on others is not a viable solution. Controlling these impulses is sometimes difficult and counseling is available for students who need help dealing with and handling their emotional impulses. Consequence for violation: **1st offense – Warning and parent notification**
2nd offense - Expulsion from the program.

I have read, understand, and agree to comply with the policies and expectations of the *Virginia Tech Opportunity Programs Summer Day Camp*.
